

# Cemetery Prayer

Our cemetery is a unique sacred space  
God's special quiet consecrated place  
Where the Spirit's temple buried in grace  
The body, awaits reunion with the soul  
In purest Heavenly glory on the last day!

So enter it as reverently as a Church  
Let God's mysteries wrap you in awe.  
When you walk its blessed holy ground  
Join the faithful whose daily visits shout  
That true love is stronger than death!

Respect its bold silent messages of hope  
Its graves, memories and its beloved dead  
Enjoy its newly mown shamrock green grass  
Fresh flowers and stones with graced words  
That proclaim the owner's faith in Christ!

When you pass it, please offer a prayer  
For those in need who are buried there  
In temporary graves, their waiting place  
Until reunited with the soul in risen grace  
They enjoy our God forever face to face!
